## **Superbookdeals Announced as a *Baltimore SmartCEO* 2006 Future 50 Winner**

Superbookdeals.com, sister corporation to Marketplace Books, has been awarded by *Baltimore SmartCEO* as one of the publication's third annual Future 50 winners, set to debut in the January 2007 issue. As a result of this honor, Superbookdeals will receive a half-page profile in the upcoming *Baltimore SmartCEO's* special Future 50 edition, a spotlight at the *SmartCEO* awards ceremony, and a wall plaque.

Says Chris Myers, President and founder, "We are extremely pleased to be honored by *Baltimore SmartCEO* as one of their chosen Future 50 organizations. It is a privilege to be in such distinguished company. We believe that it is a testament to the quality and dedication of our people and the forward-thinking nature of our firm."

*Baltimore SmartCEO Magazine* is a regional "growing company" publication aimed at providing resources each month to help educate, motivate and inspire Baltimore's decision-makers. The publication's readers range from younger, dynamic companies, to established multi-generational, family-owned firms.

The Future 50 program recognizes the 50 fastest growing companies in the Greater Baltimore area based on employee and revenue growth. This year's Future 50 winners collectively employ 5,139 people and for the first time ever, have brought in more than \$1 billion in revenues.

Publisher of *Baltimore SmartCEO*, Craig Burris says, "We are excited about the continue growth and momentum in the Future 50 program. Each year we get more nominations and the field becomes more competitive."

To see a complete list of winners, visit [www.smartceo.com](http://www.smartceo.com). ###

Based in Columbia, Maryland, Superbookdeals is an internet bookseller of over 1.6 million titles globally and the second largest distribution facilitator for Amazon.com.

Marketplace Books is one of the largest book publishers to serve the needs of investors, financial advisors, and professional traders and will be launching new book lines in the sustainable building and active aging industries in 2007.
